**All utility installations performed In Tangipahoa Parish are subject to the following guidelines:**

1. That the rights and privileges granted herein shall be non-exclusive and shall not be construed to be any broader than those expressly set out in Acts of Legislature of the State of Louisiana, regardless of the language used in this permit application and that any fixture or appurtenance placed on the Parish right-of-way shall be placed in accordance with the existing laws and the standards of the Louisiana Department of Transportation and Development (LA-DOTD).
2. That all fixtures and appurtenances thereto, after having been erected, shall at all times be subject to inspection and the right is reserved to require such changes, additions, repairs and relocations to be made as may at any time be considered necessary to permit the relocation, reconstruction, widening and maintaining of the parish road, or in the interest of the safety to traffic on the parish road, and that the cost of making such changes, additions, repairs and relocations shall be borne by the applicant.
3. That the proposed facilities or their operation or their maintenance shall not unreasonably interfere with the facilities or operations or maintenance of the facilities of other persons, firms or corporations previously issued permit of use and occupancy, and that the proposed facilities shall not be dangerous to persons or property using or occupying the parish road or using facilities constructed under previously granted permits of use and occupancy.
4. That clearances, types of constructions and other specifications shall be in accordance with the provisions of the National Safety Code for supply and communication lines, and with the standards of the LA-DOTD for all other facilities except that those facilities not included in the above shall be in accordance with accepted standard practice.
5. That data relative to the proposed location, relocation and design of fixtures or appurtenances as may be required by the Director of Public Works shall be furnished to the Director of Public Works by the applicant free of cost, and that the applicant shall make any and all changes or additions necessary to make the proposed fixtures and appurtenances thereto satisfactory to the Director of Public Works.
