Resolution R23-02 – A Resolution of the Tangipahoa Parish Council-President Government for Emergency State of Louisiana LGAP Grant Program Funds for the repair and replacement of Potable Water Infrastructure. Motion by Mr. Bruno, seconded by Mr. Mayeaux to adopt T.P. Resolution R23-02 as follows:

T. P. RESOLUTION NO. R23-02

A RESOLUTION OF THE TANGIPAHOA PARISH COUNCIL-PRESIDENT GOVERNMENT FOR EMERGENCY STATE OF LOUISIANA LGAP GRANT PROGRAM FUNDS FOR THE REPAIR AND REPLACEMENT OF POTABLE WATER INFRASTRUCTURE

WHEREAS, a portion of the Parish of Tangipahoa recently experienced a weather-related event that caused widespread loss of potable water service to a very large rural area of northern and central Tangipahoa Parish that impacted over 400 customer households for several days during a freezing weather event on December 23rd-25th, 2022. This also impacted fire suppression safety in the same region that lost water service for several days. The emergency event was not caused

by lack of maintenance but by non-typical weather events that impacted customers in the non-profit Eastern Heights Water System area, that is being assisted now by the Parish government and the public Tangipahoa Parish Water District #2 in order to restore water service and water pressure. During this emergency event, the Parish Emergency Operations Center and Parish staff delivered bottled water to residents, the Fire Stations, and businesses in the impacted area, WHEREAS, the project engineers have estimated the costs of mitigative and restorative work to the impacted water well and storage electrical system and pumps, in order to alleviate the health and safety concern if other type weather events were to happen, to be between \$200,000 and \$250,000; and

WHEREAS, the Parish will help provide assistance with the use of these LGAP funds, if approved by the State, through the use of an intergovernmental agreement instrument or an MOU. This would ensure that the work is properly designed and inspected, and meets the goals of this grant request, which is to provide reliable potable water to households and businesses during storm events or freezing weather, which could occur again at any time.

THEN, THEREFORE BE IT RESOLVED, that the Tangipahoa Parish Council hereby resolves and agrees that the Parish should apply for fiscal year 2023 Emergency LGAP grant funds in the amount up to \$250,000 for the repair and replacement of potable water infrastructure and that the Parish President be given the authority to sign the appropriate application forms and all contract documents related to this grant project.

On a motion by Mr. Bruno and seconded by Mr. Mayeaux, the foregoing resolution was hereby declared adopted on this 9th day of January 2023 by the following roll-call vote:

YEAS: Forrest, Ingraffia, Joseph, Bruno, Ridgel, Mayeaux, Wells, Vial, Hyde, Coates
